EXPERIENCE

2019 — Currently

Customer Service Representative

Jukebox Print

My current position and duties at Jukebox includes but is not limited to Customer Service. I handle phone calls, client tickets (orders), live chats, and walk in clients. I am also a Quote Estimator, Print Consultant and Prepress Technician. The variety allows me to understand multiple print processes and stock compatibility based on designs.

2019 — Currently

Customer Service

Michaels

My current part time position at Michaels requires a high standard of customer care and attention. I am able to multitask and have expanded my product knowledge to better help the guests that come into Michaels.

2017 — Currently

Branding & Advertising Manager

JM Shutter

I have worked with JM Shutter for over two years now, together we have created multiple print and web media. From a logo, business cards, to custom WordPress pages.
